Secretary's Award For Achievement

Awarded to

Graeme Gordon Glenn

For exceptional performance as the Resident Engineer Liaison Officer for Project RAVEN at the Siemens Plessey Defence Systems Facility at Southleigh, UK. His professionalism and advice to the contractor is held in very high regard.

By his painstaking analysis, and detailed and meticulous involvement in the VHF software rewriting and documentation processes, and by his dedication and devotion to duty, he has served the Commonwealth eminently.

A handwritten signature in cursive script, appearing to read 'A. J. Ayers'.
